ST. JOHN
THE EVANGELIST CATHOLIC SCHOOL

Middle School Summer Work 2022-2023

Educational research continually confirms the long held belief that reading provides children with many of the skills necessary for success. In addition to preparing our students for the standardized assessments, reading regularly improves comprehension, vocabulary, literacy and verbal skills.

This summer, to meet your summer Accelerated Reader (AR) goal, you must read **two of the six books** listed for your grade level.
Upon finishing each book, take the associated Accelerated Reader test by clicking the link: https://global-zone08.renaissance-go.com/welcomeportal/30076.
AR Testing Website will be available Monday-Friday from 8am-4pm.

Next, choose any additional books of interest in Accelerated Reader and complete your summer goal by the first day of school. Over the summer, all AR points must be achieved by reading books. **All AR tests must be completed by Friday, August 26, 2022. If you have not tested by this date, you will not receive any points for your AR Summer reading goal.**

(Returning SJE students will receive an email from their teacher with their AR goal and new students will receive their IXL usernames, passwords and AR goal via email from the school office.)

In addition to attaining your AR goal, you must also complete the assigned IXL skills practice to 90% Smart Score or for twenty minutes each. **All IXL work MUST be completed between the dates of June 13 and August 28, 2022. If IXL work is not completed between these dates, you will not receive credit for the summer assignment.**

Finally, sign into your Membean Vocabulary website and complete one 15 minute practice session for 8 weeks out of the 11 weeks of summer vacation. Membean practice must be spaced out over 8 separate weeks. More than one membean a week will not count toward your 8 total sessions for the summer.

ELA Middle School Summer Work Checklist

Name: _____

My summer AR Goal is _____ points

My summer work is due by August 29, 2022 (AR must be completed by Friday, August 26, 2022)
