

Bag Lunch Campaign

for Beans & Bread

We're asking friends of Beans & Bread to help us provide at least **300**
Bag Lunches every Wednesday

That's a lot of sandwiches!!!

If your school, business, church, or organization would like to be involved in our Bag Lunch Campaign by committing 50 or more bag lunches for one or more Wednesdays please contact Catherine David at Beans & Bread for more information or to schedule a drop off!

Each bag lunch should consist of at least:

- One meat and cheese sandwich (please no mayonnaise or peanut butter)
- One piece of fruit or a snack
- One room temperature drink (ex: a juice box)

Suggestions:

- If at least 15 classes in one school each provided 10 sandwiches (one loaf of bread) – your school could sponsor one entire day! Or if your kids bring lunch from home every day, consider having them bring two on a scheduled day and donate the extra to person in need of a meal!
- Have a Bag Lunch Party with your officemates or church group!
