

4th Grade

Summer Work for Rising Grade 4

2020-2021 School Year

To maintain skills, all students rising to Grade 1 to Grade 8 at St. John the Evangelist Catholic School are required to review both ELA and Math skills. Using the school's IXL (the world's most popular learning site for Kindergarten through Grade 12) subscription. New students will receive their IXL user names and passwords and AR goal via email from the school office. Students will complete problems until they achieve a score of 90% or higher.

Our ELA IXL website is: www.ixl.com/ela/grade-3. Our Math website is: www.ixl.com/math/grade-3. Please search by skill area instead of by number (as numbers may change.) All IXL should be completed between the dates of June 15 and August 31, 2020.
