

Middle School Summer Work 2020-2021

The best way to become a better reader is to read on a regular basis. Summer is a great time to sit back and enjoy reading. We strongly encourage you to read as often as possible and to choose books that you enjoy.

This summer, the middle school ELA teachers would like you to meet your summer Accelerated Reader (AR) goal by first, choosing one of the two books listed for your grade level. Upon finishing, take the associated Accelerated Reader test by clicking the link: <https://global-zone08.renaissance-go.com/welcomeportal/30076>. Next choose any books of interest in Accelerated Reader and complete your goal by the first day of school. (Returning SJE students will receive an email from Mrs. Steele with their AR goal and new students will receive their IXL user names, passwords and AR goal via email from the school office.)

In addition to attaining your AR goal, please do the assigned IXL skills practice to 90% or for twenty minutes each. All IXL should be completed between the dates of June 15 and August 31, 2020.
