

Middle School Summer Work 2021-2022

The best way to become a better reader is to read on a regular basis. Summer is a great time to sit back and enjoy reading. We strongly encourage you to read as often as possible and to choose books that you enjoy.

This summer, the middle school ELA teachers would like you to **meet your summer Accelerated Reader (AR) goal by first, choosing one of the two books** listed for your grade level. Upon finishing, take the associated Accelerated Reader test by clicking the link:

<https://bit.ly/EAGLESread>. New students will receive both their IXL and AR usernames and passwords via email from the school office. The AR testing website will be available Monday-Friday from 8am-3pm.

Next, choose **any books of interest on the Accelerated Reader platform, read the books, and take the associated tests.** Please do not read any Accelerated Reader articles to help you reach your goal. **New rising sixth graders** should earn at least 14 AR points, **new rising seventh graders** should earn at least 16 AR points, and **new rising eighth graders** should earn at least 18 AR points. Returning SJE students will receive an email from their teacher with their AR goal. Of course, students may earn more than the required points! **Be sure to complete your summer goal by the first day of school.**

In addition to attaining your AR goal, please do the assigned IXL skills practice to 90% Smart Score or for twenty minutes each. All IXL work should be completed between the dates of June 14 and August 29, 2021.

Rising Grade 6:

The Lion, the Witch, and the Wardrobe

C. S. Lewis

Red Kayak

Priscilla Cummings

Rising Grade 7:

Farewell to Manzanar
