

Incoming 4th Grade Summer Work Checklist 2024-2025

Name: _____

Summer work is due by **Friday, August 30, 2024.**

Students are required to complete one book report. Please see the attached document for instructions.

Students will also work on individualized IXL Diagnostic Recommended skills this summer. **Each IXL skill is to be completed to 85% or 20 minutes.**

See the attached document for how to find the IXL Recommended skills and how to PRINT out the student's plan.

Students should document their Summer Reading and Projects as well as IXLs on the chart below and the printed out Diagnostic Plan for both Math and Reading. All documented work should be signed by a parent and brought to school when the student returns in August.

Books	Title	Check if complete
1. Title of book read:		
2. Report Completed		
3. List any additional books read over the summer		

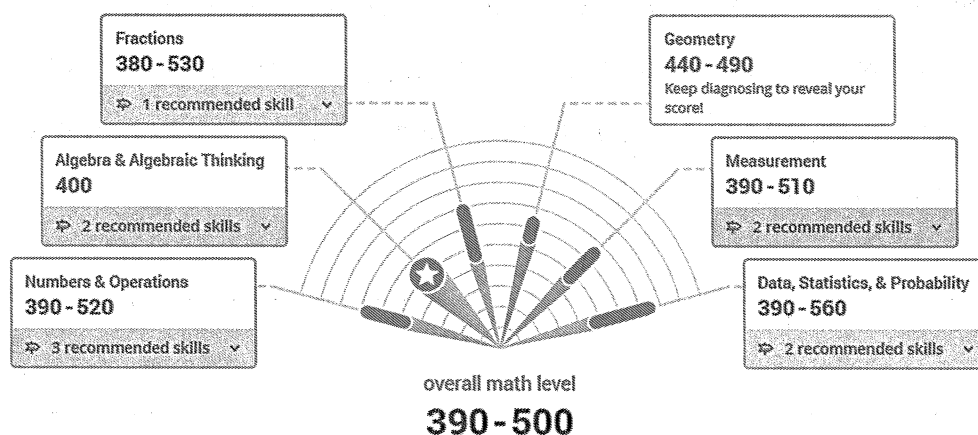

IXL Diagnostic Skills Instructions

Step 1) Log into IXL

PRINT DIAGNOSTIC ACTION PLAN

Step 4) **For Math**, please select skills from the following six categories: Fractions, Algebra and Algebraic Thinking, Numbers and Operations, Geometry, Measurement, and Data, Statistics and Probability listed on your plan. **Complete 12 skills in total with a minimum of 1 from each category.**

For ELA, please select skills from the following five categories: Reading Foundations, Reading Strategies, Writing Strategies, Vocabulary, Writing and Mechanics. **Complete 12 skills in total with a minimum of 1 from each category.**

Incoming Grade 4 Book Report

Students entering grade 4 should choose a chapter book that they have not read before. This book should be at least a third grade level book. Please use the website ARbookfind.com to check if your book has an AR test, and to check the reading level. After reading this book:

After reading this book:

- 1. Complete the attached paper "My Book Report Poster."**
- 2. Choose one of the following activities:**
 - a. On a piece of blank paper, design a new book cover for your book. This should include the book title, author, and your own illustrations.**
 - b. Design a poster to advertise your book. Your poster should include the book title, author, your own illustrations, and reasons why someone might want to read this book. This should be completed on a piece of poster board.**
 - c. Write a book review. This should be at least one paragraph (5-6 sentences) explaining your opinion of the book. Be sure to include if you would recommend this book to other students.**
- 3. Be ready to take an AR test on this book when you return to school.**

Math note for incoming 4th graders:

Mastery of both multiplication and division facts is necessary for success in fourth grade math. Therefore, students should spend time over the summer weeks reviewing these facts. Resources such as flash cards, as well as websites and games used throughout the school year can be used over the summer to review facts. Consistent and frequent review throughout the summer is strongly recommended!!
